

Rock4-NG/include/history.hpp

```
graph TD; A[Rock4-NG/include/history.hpp] --> B[utility]; A --> C[vector]; A --> D[iostream]; A --> E[string];
```

A diagram illustrating the dependencies of the file `Rock4-NG/include/history.hpp`. The top box, labeled `Rock4-NG/include/history.hpp`, has four arrows pointing down to four separate boxes below it. These boxes are labeled `utility`, `vector`, `iostream`, and `string`, representing the headers that `history.hpp` includes.

utility
